### 1. Introduction

Ultimate accountability for Prospect Trust and the academies within it, lies with the Trust Board. However, under the Trust's Articles of Association, the Board 'may delegate any of their powers and functions (including the power to sub-delegate) to any Trustee, committee (including any Local Governing Body), the Chief Executive Officer, the Principals or any other holder of an executive office.'

This Scheme of Delegation has been developed to reflect the delegations that have been made and it takes into account Funding Agreements, Corporate and Charity law, Academy Trust Handbook and other Department for Education guidance. Whilst the Scheme of Delegation is comprehensive, it is not intended to be an exhaustive list of accountabilities and responsibilities but instead focuses on statutory or key functions.

This overarching Scheme of Delegation should not be confused with the written Scheme of Delegation of Financial Powers, referred to in the Academy Trust Handbook. This document should also be read in conjunction with the Governance Framework, Terms of Reference for the Trust Board and its committees as well as the Articles of Association of the Trust.

## 2. Approval and renewal

The Prospect Trust Scheme of Delegation is renewed and approved by the Trust Board at least annually, so that the accountabilities and responsibilities outlined continually reflect organisation realities and updates to statutory legislation.

## 3. The Scheme of Delegation matrix

The Scheme of Delegation is structured in accordance with the following functions:

- Governance
- Ofsted inspections
- Vision, values and strategy
- Academy performance and quality improvement
- Teaching, learning, assessment and curriculum
- Pupil premium
- Special educational needs and disabilities
- Equality and diversity
- Student behaviour and attitudes
- Safeguarding
- Admissions

- Workforce matters and people
- Finance
- Estates
- Information technology
- Risk management
- Health and safety
- Date protection/General Data Protection Regulation (GDPR)
- Community engagement and stakeholder management
- Complaints
- Church of England academies

## **Using the Scheme of Delegation**

a. Under each function the role of each level of **delegation** is identified using the key:

M Members

T Trustees

**ARC** Audit and Risk Committee

E Executive (or delegated staff member)

AQC Academy Quality Council

H Academy Head/Principal (or delegated staff member

b. The scheme of delegation is presented as **RASCI matrix** using the following key:

| Responsible (R) | Those responsible for a task, who ensure that it is done.   |
|-----------------|---|
| Accountable (A) | Those ultimately responsible for the correct and through completion of the deliverable or task, and who delegate the work to those responsible. |
| Support (S)     | Those who provide support to those who are responsible for a task or deliverable.   |
| Consulted (C)   | Those whose opinions are sought, and with whom there is a two-way communication   |
| Informed (I)    | Those who are key up to date on progress and key information.   |

- c. The Scheme of Delegation Matrix also details the **legal status** of each item. In this document the following terms are used:
  - must where the Trust or one of its Academies has a legal duty to do (or not do) something
  - **should** to indicate best practice, often provided in Department for Education non-statutory guidance documents
